

Catalina Foothills High School ~ Class of 2020 School Profile

Catalina Foothills High School Mission Statement

The mission of Catalina Foothills High School is to ensure that each student demonstrates outstanding academic and personal achievement, graduates, and becomes a contributing member of the global community by engaging students in meaningful and challenging learning experiences within an environment that fosters a passion for learning and personal behavior of the highest standards.

School and Community

Catalina Foothills High School is located in the shadow of the Santa Catalina Mountains on Tucson's north side. CFHS is accredited by the North Central Association and graduated its first class in 1996. While the community has become increasingly diverse, most families are headed by college-educated professionals who value education, expect excellence, and provide a great deal of support to their students and to the school. This public high school, operating on a semester system, has a student population of approximately 1800 students in grades 9 through 12. Over 60% of the CFHS faculty and administration hold advanced degrees.
